mumbai will walk.

It's time we walk the talk. Because awareness about cancer is the first step towards fighting it. Join your fellow Mumbaiers for the World Cancer Day Walkathon.

On 4th February, 7:30 a.m.,
Mumbai will walk from
The BMC Club, Shivaji Park to
spread awareness against cancer.

So, will you still be standing?
Or will you join the walk?

Bad ergonomics or wrong postures at workplace can cause potential injuries, accidents and ill-health. To improve your performance and satisfaction at the workplace, practice good ergonomics.

Here a few tips for good ergonomics:

- Sit upright in the office chair and adjust the chair's lumbar support to keep the feet and neck erect
- Take proper breaks and walking breaks if you are sitting in the office chair for a long period of time
- While typing, your keyboard should be 1-2 inches above your lap, just below the height of your elbows
